

Catering Update

Daily Buffet Breakfast — Now Available!

Kew Gardens is now presenting an à la carte Buffet Breakfast menu, which is available every day in the dining room. The buffet offers a sumptuous selection of both hot and cold items.

The hot items feature the usual favourites, such as eggs (cooked in various ways) and grilled bacon. In addition, delectable daily 'specials' are also prepared including, sautéed mushrooms, wilted spinach, smoked salmon, sausages, hash brown and herb roasted tomatoes. There are also several kinds of toasts available to suit individual tastes and dietary requirements.

The cold item selection is equally palatable with an assortment of healthy cereals, complimented by natural / flavoured yoghurts and seasonal fruit platters.

The Buffet's beverages include a range of fruit juices, along with freshly-brewed tea and coffee to complete the perfect start to the day.

During the warmer months, Residents will also have the option to relax in the terrace gardens or on the balcony enjoying the view of Alexandra Gardens over a tea or coffee, whilst perusing the morning paper.

Residents are also encouraged to invite their relatives and friends to join them for the new Kew Gardens buffet breakfast experience.

****Please make a reservation at reception. Bookings are essential.***
